ManipalCigna Health Insurance Company Limited has announced the launch of 'ManipalCigna Lifetime Health' plan. This new regular premium lifetime renewable plan is thoughtfully designed after a period of research which identified that post COVID-19 pandemic, consumer conversation has finally changed from 'do I need health insurance' to 'how much do I need'. Thus keeping in mind the increasing healthcare incidences and cost, the plan offers the benefit of high coverage, optional packages and provides a comprehensive healthcare financing solution to secure an individual's and a family's domestic and global healthcare requirements at every stage of life.

Speaking about the product launch, Prasun Sikdar, Managing Director and CEO, ManipalCigna Health Insurance Company Limited, said, "The plan comes with two variants Lifetime Health India Plan and Lifetime Health Global Plan that offers a high level of protection with sum insured ranging from Rs 50 lakh to Rs 3 crore to give people financial access to cover advanced treatments and procedures, globally, for up to 27 major illnesses, and most importantly looks after their unique healthcare requirements for a lifetime."

Sikdar further added, "The new plan lets you customise the cover you need for your family using optional packages like Health+, Women+ and Global+ along with critical illness rider that provides extensive coverage like screenings, vaccinations, and many more healthcare benefits thus keeping you and your family clear of financial burden for lifetime."
