Expanding presence in over 30 cities in India

Eye Mantra, a leading eye care chain in New Delhi, has announced a significant investment of \$10 million from MantraCare, a prominent global healthcare player. This funding will fuel the expansion of Eye Mantra's branch network across India, with a vision to establish a presence in more than 30 cities. Additionally, Eye Mantra aims to extend its footprint to international markets, including Africa and Southeast Asia.

The investment from MantraCare marks a significant milestone for Eye Mantra Group of Hospitals, empowering the organisation to further enhance its cutting-edge medical facilities for Lasik and Cataract, world-class infrastructure, and expand its comprehensive range of eye care services.

With the infusion of capital, Eye Mantra will significantly scale up its operations, enabling more patients to access top-notch eye care services across India and beyond.

With this funding infusion, Eye Mantra Group of Hospitals aims to hire and train additional medical professionals, acquire state-of-the-art equipment, and establish new branches to cater to the increasing demand for eye care services. The organisation's expansion plans will further solidify its position as a leading provider of comprehensive eye care solutions in India and propel its efforts to improve eye health worldwide.
