# HCA Healthcare sets up Global Capability Centre in Hyderabad

24 September 2025 | News

HCA Healthcare plans to invest $75 million by the end of 2025 and to employ 3,000 professionals by 2026

HCA Healthcare, Inc., a Fortune 100 healthcare leader with a network of approximately 192 hospitals and 2,500 care sites across the United States and the United Kingdom, has inaugurated its Global Capability Centre (GCC) in India, selecting Hyderabad as its strategic hub.

The centre will serve as a strategic hub and use advanced digital and technology capabilities to help drive innovation and operational excellence across HCA Healthcare's operations. With a planned investment of approximately $75 million by the end of 2025, HCA Healthcare - India is set to expand its workforce to 3,000 colleagues by the end of 2026 with continued growth expected.

HCA Healthcare - India is focused on recruiting and developing talent across multiple lines of business including IT, supply chain, procurement, human resources, finance and accounting. The Hyderabad centre is expected to play a significant role in supporting HCA Healthcare's commitment to providing high-quality patient care in the United States and United Kingdom. Located in HITEC City, the center spans over 400,000 square feet across four floors within the LEED-certified campus of Sattva Knowledge Park.

The facility was inaugurated by Duddilla Sridhar Babu, Minister for Information Technology, Electronics, Communications, and Industries, Legislative Affairs, Government of Telangana; in the presence of Emily Duncan, Senior Vice President, Global Capability Network, HCA Healthcare; Atul Kapoor, Vice President and Hyderabad Center Head, HCA Healthcare - India;

along with other distinguished dignitaries.

Duddilla Sridhar Babu said, "Hyderabad is the gateway to a complete global ecosystem of healthcare, pharmaceuticals, and life sciences. With world-class hospitals, over 800 pharma companies producing APIs, drugs, biologics, speciality medicines, and vaccines, and the presence of leading global life sciences GCCs driving R&D and innovation, Telangana has built one of the finest healthcare infrastructures in the world. What sets Hyderabad apart is its ability to deliver affordable healthcare while maintaining the highest standards of quality and trust. We are proud to welcome HCA Healthcare's first Global Capability Centre in India, a strong endorsement of Hyderabad's leadership and a milestone that will further accelerate our journey as a global hub for healthcare and innovation."
